

From the Commander's Deck

Commander Chris Dove

What a great day for the Chili Cook-off. Bright sunshine, warm temperature, light winds and a big turn-out. A couple of unofficial counts put us just under 50 members and guests.

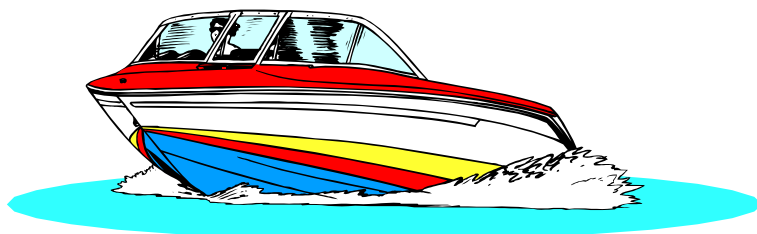

Thanks to all the cooks, Bill Roach, Julie, Dan, Marvi, Gil, Glenn, Robin, and Wade for all the different chilis. Special thanks to Marvi for the excellent quesadillas she passed out.

Don't forget the Fall Conference in Oklahoma City on November 2-3, 2018. This is close by so please try to attend if possible. Let's have a big showing from FWSPS!

I know that the COW is four months off, but the nominating committee will begin looking for bridge positions and committee members shortly. Please consider filling a position if approached or better yet, volunteer. We will also be looking for someone to take over the roster and merit marks for 2019-202

Speaking of merit marks if you have participated in squadron activities please turn in to Julie at txdove1@hotmail.com with a brief description of activity, hours etc.

Cdr Chris

EXECUTIVE OFFICER: *Lt/C Linda Lopez*

Wonderful weather and great chili entertained us this past Saturday at West Bay. Congratulations to all the winners.

- 1st Place: Daniel Held
- 2nd Place: Glenn Snell
- 3rd Place: Bill Roach
- 4th Place: Gil Boatman

Our meeting on November 14 will be at Los Vaqueros. 2629 North Main, FW 76164. We will be meeting in the corral by the bar. Please order your drinks from the waiter or waitress. Everyone will receive their own ticket and there will be a 20% gratuity included. We will be discussing bridge commitments and committees at this meeting.

I encourage everyone to get on the bridge or a committee. The squadron is only as strong as its members. Let's get busy and make this squadron a strong one.

See you next month.

ADMINISTRATIVE OFFICER: *Lt/C Judson Arnold*

"Ahoy Fort Worth folks!

Again I was on the road and missed the latest happening. Hopefully the chili Cook-Off and meeting was a success with a good time had by all!

I had tickets to the USC (the east coast version) Tennessee game and had to be in Carolina. Happily my grandsons Gamecocks won. Headed for OKC this weekend for the District 21 Fall meeting.

Hope to see you there!

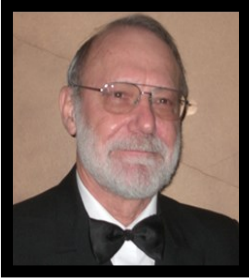

**Fair winds,
Jud Arnold**

James Thibodaux Received His 25 Year Power Squadron Pin At The Chili Cook-off Members Meeting

Beautiful Day for a Chili Cook-off

EDUCATION OFFICER: *P/C Glenn Snell, SN*

The Advanced Piloting course has one class and a review class remaining, the review class might be extended. Our Thanks to Gus Mattiza and Gil Boatman for instructing this course and allowing us to meet at their homes.

There was interest shown by several members for courses in Marine Electronics. I have one member and a possible two more interested in Marine Electrical Systems. Let me know what courses you are interested in.

One of our own - politics aside, Don Dinger has been called on to be a trusted driver who is transporting the Ted Cruz campaign members across Texas until the Mid-Term voting on November 6. They couldn't have picked anyone better since he has driven thousands during his career as a charter driver. We are proud of Don and maybe he'll give us a report on the wonderful Texans he has met during this assignment.

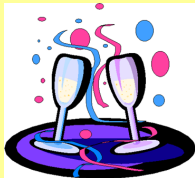

Come for the Boating Education...Stay for the FriendsSM

HAPPY HOUR

Friday, November 30th, 6:00pm

Bar Louie

2973 W. 7th Street

(Corner of 7th & Crockett)

INLAND DIVE SERVICE

PROVIDING IN-WATER HULL CLEANING

We can clean heavy algae growth from your hull without removing your boat from the water. A clean hull increases your speed AND reduces your fuel consumption!

IN-WATER PROP REMOVAL / REPLACEMENT

We use underwater hydraulics to remove a bad prop, have it repaired or replaced and re-installed.

No need to leave your slip!

SIDE SCANNING SONAR

Locate and salvage those items lost overboard!
