All meetings start at 7:00PM

Commander's Corner

Linda and I are back from our trip to Italy. You may have heard the news that Sicily experienced some very unusual weather causing massive flooding in the Messina area. Guess who has the privilege of being able to say, "I was there." Our tour left Sicily via the ferry across the Straits of Messina; a short but interesting sea voyage.

Not a Good Day

Anyway the remainder of the trip went well and we are back.

Not much has happened within the squadron during the past month besides individual travel.

Sharon Dack and Norm spent the month of September soaking up the sun, walking the beach, shopping and just plain relaxing in Ventura, California.

Ken Pierce is getting ready for his annual Elk hunt in Colorado. Hopefully he might grace us with some pictures of his success when he returns. Ken and Dawn also spent part of September visiting in Buffalo, NY. Al and Eileen Trueman also went east during the month.

Dave and Maureen Evans took a cruise to Mexico and they too had rain related issues that plagued their trip. Barb and Mike Accardo visited New York.

Our Luau will be coming up and hopefully will be covered in November's issue. All of our heretofore on the mend members (Bev Keith and Maureen Evans) are well on their way to a full recovery.

John Militello with the assistance of Mike Accardo has started an ABC course. They have four attendees and a chance for two more to make it starting with the second week.

A very **Happy Birthday** to Past Commander Pat Bramble who will celebrate on the 15th of this month.

The October general meeting will be held October 14th back at the El Rio Country Club, 1 Paseo El Rio in Mohave Valley. **Café 95** is replacing the Terrace Restaurant and may once again become our regular meeting place.
