A View from the Bridge

Simplicity

As I approach my second try at being Commander of the Charlotte Power Squadron, aka America's Boating Club-Charlotte, it appears to me that we are at a water-shed moment in our history. As of this date (Dec 23) we have no nominees for Executive Officer or Administrative Officer. There is no one ready to step into the job of Commander for next year and I can understand why. When I was Commander of District 27, I helped three Squadrons take the 7.3.3 waiver and the overwhelming reason was that these squadrons could not find someone to take on the responsibility of being Commander. It is a time consuming and expensive job.

This present year we have had the good fortune to have Cdr Marvin Chaney SN as our leader and he has done a marvelous job, not only did he run our Squadron without an Admin Officer, but he did the majority of work planning the District Rendezvous. On top of that he got us a new set of Squadron by-laws. Congratulations Marvin- Job well done.

As we look to the future, the core activities which support our non-profit mission are in place. We still have ABC classes, the Children's Outing, Co-op charting, VSCs and the Boat Show. For all those involved, please accept our appreciation and sincere gratitude for your hard work in these areas.

As I look at my new term as Commander, I have to be honest, there is no way that I can do the job of three people. And besides that, no one else will sign up for this job if they are faced with the same challenge. So, I propose that we begin simplifying the administration of this Squadron. I will be working with the Executive Committee on how to do this asking for their ideas. I want your ideas too. Where can we cut out what we do not need? How can we spread the work around to lessen the burden on future Commanders. Please let me know what you think by email: path201@gmail.com.

And finally. I wish you each a Very Merry Christmas and a Happy New Year. Be warm and be safe.

Respectfully submitted, P/D/C Pat Hakanson SN

Christmas Party 2022

We held our annual Christmas Party on Saturday 10 December 2022 at the clubhouse in Reflection Pointe, Belmont. Forty-four (44) people attended, which was a great response!! We had fun catching up with new members and existing members we hadn't seen in a while. Nautically themed *"T'was the Night Before Christmas"* poems and even a gingerbread house decorated the space; these complemented the already fantastic decorations put up in the clubhouse by the neighborhood. While we did have background holiday music, we had a surprise special treat when Amelia Myers serenaded us on her violin with *"O Christmas Tree"*. Everyone brought delicious appetizers, side dishes and desserts to go with the ham and turkey. Leftover turkey and ham not taken home by attendees was donated to the Dorothy Days Soup Kitchen in Rock Hill, SC.

Thanks goes to Pat Mencil who arranged for the venue and did a yeoman's job getting supplies, setting up all the tables, and helping attendees with their dishes. Paula Stewart handled the RSVPs. Mary and Marvin Chaney helped Pat with the initial setup. Marshall Bain arrived with a new donation for the squadron – a speaker and wireless microphone that we can use for future meetings. Cleanup was a breeze since Ken Elkins, Warren Francois, David and Rose Samonds, and Jack Moore stayed and helped clean up and put things away – I don't have a list of all that helped out but if I missed you, a big thankyou to all of you as well.

Enjoy several snapshots from the event.

Happy Holidays!
