Come and learn how to be a safer boater! This course is for adults and youth aged 12 and older, satisfying the Texas State certification requirements for youth under the age of 18 to operate a boat, as well as any requirements for all ages in any U.S. state, covering:

- **Getting Started:** boat terms and types, boat handling, anchoring, water sport safety, personal watercraft
- **What's Needed:** equipment, regulations, law enforcement
- **Rules To Live By:** aids to navigation, navigation rules, adverse conditions, marine radio

Satisfactory completion will also entitle you to a discount on your boat insurance from most of today's insurance providers.

Attendees will also receive a 10% discount coupon from Bass Pro Shops.

Free instruction is provided by the Dallas Sail and Power Squadron. We recommend our course manual that is available as an optional purchase for \$30 (this can be shared by a family), and the Texas State certification requires a fee of \$10 to be forwarded to Texas Parks and Wildlife. Lunch is on your own.
