

Commander's Report D/C Andrew Terry Prather, AP

Greetings!

I am looking forward to the Spring Conference and being with all of our D-24 Squadron members! It is always fun to be with good friends and catch up on what you have been doing over the winter and talking about how nice it will be getting back into boating activities. Let's hope we will have some great weather this year!

Donna and I made the trip to Dallas in September for the Governing Board meetings. I

learned quite a lot from the roundtable meetings with representatives from the other Districts. I felt like we had a good group with good discussions—three hours of interesting and informing talks.

The Fall Conference was great! We really enjoyed having our Chief Commander Louis and his wife Dot as our very special guests. The Representative R/C. Bob Rayburn and his wife also added to the event. I would like to thank all those worked very hard to have a great conference especially those from Hoosier Squadron; it was really a great weekend and an enjoyable weekend!

Donna and I will be driving down to Orlando for the National Meeting in February. Looking forward to warmer weather for sure. Hopefully we will see some of you there as well! We have enjoyed the previous trips and looking forward to this one, too!

I would like to thank David Hufnagle for his work and doing such a great job putting together our program book and roster.

I'd also like to thank my wife, Donna, who makes me look good. As most of you know I would be in deep doo doo if she wasn't looking after me for the last fifty years.

D/C Andrew "Terry" Prather AP

United States Power Squadron D/24 Spring Council and Conference 23 - 24 MARCH 2018

The Cincinnati Power Squadron welcomes you to our Spring Conference.

Friday night—Dinner on your own

The hospitality room will open at 4 pm. Then dinner will be on your own at any of the close nearby restaurants or take a breathtaking dinner with a beautiful view in the Hotel's 360 restaurant. Please make a reservation for the dining room if you wish to eat there. Our hospitality room will be on the 16th floor-- as well as the Friday night activities. Come out on Friday and join us. As always, the bar is free of charge.

Then the program will begin at 7 pm with a visit from the Cincinnati Museum Center guest speakers. Our topic will be either the Bridges of the Ohio River or the History of the Erie and Miami canals. Either event will be informative and entertaining. We will know which topic as the date gets closer.

After the guest speaker, we will play an entertaining game of "Let's Make a Deal" with "fabulous" prizes for all contestants. There will be a little trivia, and some deal making. Also a few ZONKS. So come to play. And oh yeah...if you want to be a **contestant**....**YOU MUST WEAR A SILLY HAT TO GET THE HOST'S ATTEN-TION.** It can be a derby hat, Christmas hat, silly hat of any type. You can even wear couple's hats. It is all in fun and games, so come out and play. And the hospitality room is open throughout the game. So let's have some fun.

Saturday Breakfast is on your own. There is a breakfast brunch in the 360 Restaurant or a Frisch's breakfast bar just across the street.

Saturday Guest Activities - we have made plans to attend the Cincinnati Flower Conservatory and Butterfly show on Saturday. This will be in Eden Park in Cincinnati. Cincinnati Squadron members Vicki and John McFarland will be your tour guides. The group will drive to lunch together at a nearby restaurant. Cost for the Butterfly show is \$9.00 — payable at the Flower Conservatory **Please let Susan Durstock know if you are attending this event.** sdurstock@gmail.com

Saturday Evening - The hospitality room will be open from 4 pm until 5:15 pm. Then we will close briefly to set up for dinner. Dinner and evening entertainment and meeting will all be in the 16 th floor area. Hospitality room will open again at 6 pm.

The entertainment is a trio..er...couple, you can decide.. of "Almost Live". They will entertain us during the evening. Our District Change of Watch and also the Cincinnati Sail and Power Squadron Change of Watch will take place during the evening event.
