

CRUISE AND RENDEZVOUS 18-20 May, 2018

There will be a Poker Run as part of the activities for the D/26 Spring Cruise and Rendezvous. Anyone who is not bringing their boat, will be assigned as crew. The date for this poker run is Saturday, 19 May 2018. At lunch time on Saturday, the district will participate in the "wear it" campaign for USPS. Golden Corner Lakes will have the sheets to sign and we will need all the boat captains to bring their life vests to share with their passengers. We will send this group photo to National.

We are looking forward to having all squadrons represented at the Cruise and Rendezvous. We will have provisions for those who would like to bring their boats and use them to cruise Lake Keowee and/or sleep on them. Once we have the available information, we will assign crew to the boats for the poker run. Gene Kunkel will have additional information, and we will provide charts to locate the pick-up points. We will play the hands at the dinner on Saturday night. Of course we will have a delicious breakfast on Sunday morning.

Any questions, please call Jon Becker 925-858-0502 for boating info; and call Kathy Redford 864-972-8164, or Brian Hackley 864-973-4889 for all other information.

Thanks to all for your help,

Kathy Redford
