TREASURER'S REPORT
07 JUNE 2006

As of 04/30/06

UPS RESERVE	\$20,000.00
MONEY MARKET	\$17,123.44
CHECKING ACCOUNT	\$ 3,742.46

The tax form for a 2005 has been filed with National, as required. Since we were under \$25,000.00 in expenses we do NOT need to file with the IRS.

COMMENT:

From time to time, I will explain various parts of the Treasurer's Account now that there are new Commanders and others at the Council Meetings.
 We have a Reserve Fund with National. This is part of a collective account, which was established by National to earn us and other Districts a better return. Periodically, the interest is deposited in our checking account.

FINALLY: A SEARCH FOR D/4 PROPERTY

I have a flyer from Joseph????????? Asking for any data you have on D/4 Property. I thought I had sent it via email to all interested parties, now I am worried I may have done something wrong and no one received the information.

END OF REPORT.
