### Free Young Boater Class

The Jones Beach Power Squadron offers a young boater's course designed especially for kids 11-15 years old. Presently New York State law does not allow persons under the age of 18 to operate a powerboat alone without having successfully completing a state certified safe boating course. Kids must be at least 14 years old to operate Personal watercraft alone without having a license. For additional information contact Karen Flinn @kaflinn@optonline.net Tel-516-797-7420

**America's Boating Course:** This course is open to the public who are 16 years of age or older. This NYS certified course covers the safe operation of all types of boats including personal watercraft (Jet Ski). In addition the course also covers boating laws, navigation rules, safety equipment, how to handle water emergencies and other related topics. For additional information, please contact SEO Lt/C Peggy Widman, SN or call Peggy at (631) 669-3821. \$60 fee for America's Boating Course

Upon attending all class sessions, completing the workbook and passing the NYS proctored exam; the student will be issued a Boating safety certificate **First Class Date:** Wednesday - September 23, 2009
