

# Seamanship

## COURSE

# Student Manual

Dedicated to  
making boating  
safer and more fun

Boat Handling, Seamanship,  
Rules of the Road, and Marlinspike

# Contents

Contents . . . . .	iii	Displacement Hulls . . . . .	16
Illustrations . . . . .	ix	Maximum Hull Speed . . . . .	16
Introduction . . . . .	xi	Planing Hulls . . . . .	16
		Semi-Displacement Hull . . . . .	17
<b>Chapter 1 • Before You Go</b>		Hull Designs . . . . .	17
Learning Objectives. . . . .	1	Flat Bottom Hull . . . . .	17
The Recreational Boater . . . . .	1	Round Bottom Hull . . . . .	17
The Skipper . . . . .	1	Vee Bottom . . . . .	17
Preparations. . . . .	1	Planing Capabilities and Lateral Stability . . . . .	18
Other Considerations . . . . .	1	Stability at all Speeds . . . . .	18
What do you need? . . . . .	1	Soft Ride at Speed . . . . .	18
Boat Registration . . . . .	2	Cathedral Hull . . . . .	18
Personal Identification. . . . .	2	Multihull Boats . . . . .	18
Fuel . . . . .	2	Propulsion and Steering . . . . .	19
Engine and Sails . . . . .	2	Human Powered (oars, sculling, paddles, and poling) . . . . .	19
Lights and Radio . . . . .	3	Engines . . . . .	19
Support Systems . . . . .	3	Efficient Use of Fuel . . . . .	19
Weather . . . . .	3	Propellers . . . . .	20
Weather Forecast. . . . .	3	Thrust . . . . .	20
The Day on the Water . . . . .	4	Propeller Walk . . . . .	20
The Family, Friends and Crew . . . . .	4	Sized for Application . . . . .	20
Float Plan . . . . .	4	Rudders . . . . .	21
Safety . . . . .	5	Forward & Reverse Considerations . . . . .	21
Medication. . . . .	6	Rudder Size for Speed & Handling . . . . .	22
Food and Water . . . . .	6	Principles of Turning . . . . .	22
Storage . . . . .	6	Turning a Boat within its Own Length . . . . .	22
Sanitation Facilities. . . . .	6	Bow and Stern Thrusters . . . . .	22
Environmental Considerations . . . . .	6	Boat Maneuvering . . . . .	23
Extended Voyage. . . . .	8	Inboard Single Screw Maneuvering . . . . .	23
The Vessel. . . . .	8	Example of Turning Astern . . . . .	23
Boat Condition. . . . .	8	Outboard and Inboard/Outboard Maneuvering. . . . .	23
Trailer Condition . . . . .	8	Directed Thrust . . . . .	24
Vessel Safety Check (VSC) . . . . .	8	Reverse Considerations . . . . .	24
Fueling. . . . .	9	Inboard Twin Screw Maneuvering. . . . .	24
Getting Your Boat into the Water. . . . .	9	Maneuvering with Throttles and Gear . . . . .	
Boat and Marina Courtesy. . . . .	10	Shifts Only. . . . .	24
Homework Questions . . . . .	11	Twin Screw Inboard / Outboard Maneuvering . . . . .	24
		Separation of Mounted Drives. . . . .	25
<b>Chapter 2 • The Boat</b>		Dual Propellers on the Same Shaft. . . . .	25
Learning Objectives . . . . .	15	Jet Propulsion Maneuvering . . . . .	25
How Different Boats Behave in the Water. . . . .	15	Buoyancy . . . . .	25
What Boats Are Made Of . . . . .	15	Flotation Design and Buoyancy . . . . .	26
Types of Construction Materials . . . . .	15		
Hull Types . . . . .	16		

Requirements and Purpose . . . . .	26
Stability . . . . .	26
Hazards to Stability . . . . .	28
Offset Load . . . . .	28
Wave Forces . . . . .	28
Wind Forces . . . . .	29
Hydrodynamic Effects . . . . .	29
Change in Original Stability . . . . .	29
Sailboat Trim . . . . .	29
Homework Questions . . . . .	31

## Chapter 3 • Slow Speed

<b>Maneuvering . . . . .</b>	<b>35</b>
Learning Objectives . . . . .	35
Using Lines . . . . .	35
Lines . . . . .	35
Bow Line . . . . .	35
Stern Line . . . . .	35
Spring Lines . . . . .	36
Breast Lines . . . . .	36
Line Selection and Lengths . . . . .	36
Line Deployment . . . . .	36
Leaving the Dock . . . . .	37
Preparation and Planning . . . . .	37
Sound Signals . . . . .	37
General Principles . . . . .	37
Wind and Current . . . . .	37
Wind . . . . .	37
Current . . . . .	37
How Currents and Wind Influence Boat Speed . . . . .	38
Single Screw Boat . . . . .	38
No Wind or Current . . . . .	38
Wind on the Dock . . . . .	39
Wind off the Dock . . . . .	39
Wind along the Dock . . . . .	39
Departing Between Boats . . . . .	39
Twin Drives . . . . .	39
Twins Departing with no Wind or Current . . . . .	39
Twins Departing with Wind or Current on the Dock . . . . .	40
Departing from a Slip . . . . .	40
Springing Out of a Confined Space . . . . .	40
Strong Currents . . . . .	41
Other Craft Considerations . . . . .	41
Securing of Fenders, Lines, etc. . . . .	41
Maneuvering at Slow Speed in the Harbor . . . . .	41
How Seas are Affected by Wind . . . . .	42
Wind Against Current . . . . .	42
Docking . . . . .	42
Low and High Tidal Areas . . . . .	42

Docking . . . . .	42
Crew Preparation . . . . .	42
Communication . . . . .	43
Checking Conditions . . . . .	43
Using the Wind in Maneuvering . . . . .	43
Vessel Preparedness . . . . .	43
Planned Escape Route if Docking is Aborted . . . . .	44
Knowing and Determining Boat Handling Characteristics . . . . .	44
Understanding Your Progress . . . . .	44
Securing . . . . .	44
Use of the Dock Cleat . . . . .	45
Lines / Spring Lines . . . . .	45
Single Screw Docking . . . . .	46
No Wind or Current . . . . .	46
Wind or Current off the Dock . . . . .	46
Wind or Current on the Dock . . . . .	47
Wind or Current Parallel with the Dock . . . . .	47
Twin Screw Docking . . . . .	47
Docking in a Slip . . . . .	47
Correct Positioning before Backing . . . . .	48
Strong Cross Current or Wind – Warping . . . . .	48
How Current Affects Docking Maneuvers . . . . .	48
How Waves Affect Docking Maneuvers . . . . .	48
Docking in Tight Quarters . . . . .	49
Engine Stalling While Docking . . . . .	49
Docking in Marinas . . . . .	49
Securing Your Boat When Not in Use . . . . .	49
Docking in a Boathouse . . . . .	50
Docking on a Boatyard Lift Considerations . . . . .	50
Locks . . . . .	50
How Locks Work . . . . .	50
Planning the Approach . . . . .	52
Homework Questions . . . . .	53

## Chapter 4 • Handling at Sea

Learning Objectives . . . . .	57
Vessel Trim . . . . .	57
Weight Considerations – Loading . . . . .	57
Free Weight – Movable . . . . .	57
Controlling Trim . . . . .	58
Engine Trim . . . . .	58
Basic Principles . . . . .	59
Trimming In . . . . .	59
Trimming Out . . . . .	59
Effect on Comfort . . . . .	60
Effect on Fuel Consumption . . . . .	60
Side-to-Side Trim . . . . .	60

Trim Tabs . . . . .	60	Drifting . . . . .	72
Trim Tabs for Adjusting Fore and Aft Trim . . . . .	60	Trolling . . . . .	73
Stabilizers . . . . .	61	Bridges . . . . .	73
Wind and Current . . . . .	61	Dinghies . . . . .	73
Use of Telltales and Local Knowledge . . . . .	61	Launching a Dinghy . . . . .	73
Reading the Wind . . . . .	61	Towing a Dinghy . . . . .	73
Aerodynamic Effects above the Water Line – Wind Effect. . . . .	61	Life Raft vs. Dinghy . . . . .	74
How Wind Affects the Drift of Your Boat. . . . .	62	Homework Questions . . . . .	75
Holding Your Position in the Wind . . . . .	62		
Waves . . . . .	62	<b>Chapter 5 • Rules of the Road</b>	
Wave Patterns . . . . .	62	Learning Objectives.....	79
Reading Wave Action . . . . .	63	As a Boater.....	79
Head Seas . . . . .	63	Collision Avoidance .....	79
Beam Waves – Cross Seas . . . . .	64	Homework Questions.....	81
Following Seas . . . . .	64		
Turning to Reverse Course in High Seas . . . . .	64	<b>Chapter 6 • Anchoring, Mooring and Rafting</b>	
Broaching . . . . .	65	Learning Objectives . . . . .	85
Pitchpoling . . . . .	65	Anchoring . . . . .	85
Sea Conditions . . . . .	65	Anchors . . . . .	85
Boating at Night . . . . .	65	Types Relating to Holding Power . . . . .	86
Finding an entrance channel after dark . . . . .	65	Sharp Flat Fluke Type Anchors . . . . .	86
Finding a lighted buoy against bright lights on shore . . . . .	66	Plow Type Anchors . . . . .	87
Hazard posed by offshore navigation and flashing lights . . . . .	66	Claw Type Anchors . . . . .	87
Coping with Deteriorating Weather . . . . .	66	Mushroom . . . . .	88
Fog . . . . .	66	Grapnel . . . . .	88
Potential Hazards . . . . .	66	Securing of Anchors While Underway . . . . .	89
Practical applications to finding your way . . . . .	67	Anchor Rode . . . . .	89
Handling a Squall Line . . . . .	67	Selecting the Correct Type and Size of Chain and Line . . . . .	89
Open Boat . . . . .	68	Chain Size . . . . .	90
Enclosed Cabin . . . . .	68	Chain Strength . . . . .	90
Preparing for Heavy Weather . . . . .	68	Chain vs. Line. . . . .	90
Jack Lines . . . . .	68	How Much Chain / Line Length . . . . .	91
Harnesses . . . . .	69	Scope . . . . .	91
Webbing . . . . .	69	Utilizing Two Anchors (Special circumstances for three anchors) . . . . .	92
Securing . . . . .	69	Stowage . . . . .	93
Encountering Commercial Traffic . . . . .	69	Attachment to Vessel . . . . .	93
Ferries . . . . .	70	Maintenance and Cleaning . . . . .	93
Tows and Barges . . . . .	70	Identifying Appropriate Anchorages . . . . .	94
Ships . . . . .	70	Shelter . . . . .	94
Military Operations . . . . .	70	Depth . . . . .	94
Submarines . . . . .	71	Tide . . . . .	94
Commercial Fishing . . . . .	71	Weather Forecast . . . . .	94
Dredges . . . . .	71	Estimating Swinging Room Required . . . . .	94
Special Concerns for Fishing . . . . .	72	No Anchor and Warning Areas . . . . .	95
Selection of a Fishing Boat . . . . .	72	Anchoring in Various Bottom Conditions . . . . .	95
Anchoring . . . . .	72	Sand . . . . .	95
		Mud . . . . .	95
		Grass . . . . .	95
		Gravel . . . . .	95
		Rocks . . . . .	95

Coral . . . . .	95
Lowering the Anchor . . . . .	95
Crew Preparation, Responsibilities, Communication . . . . .	95
Preparation of Rode . . . . .	96
Wind and Current . . . . .	96
Paying Out Rode . . . . .	96
Setting Anchor . . . . .	96
Confirm Hold . . . . .	96
Weighing Anchor . . . . .	96
Role of the Crew . . . . .	96
Procedures . . . . .	96
Windlass Use . . . . .	97
Use of Power . . . . .	97
Securing Anchor on Deck . . . . .	97
Stationary Second Anchor Point . . . . .	97
Tidal Change & Current Considerations . . . . .	98
Overnight Anchoring . . . . .	98
What to Consider . . . . .	98
Crosswinds and Onshore Winds . . . . .	98
GPS Drift Alarm . . . . .	98
Coping with a Dragging Anchor . . . . .	98
Fouled Anchor . . . . .	99
Prevention . . . . .	99
Freeing . . . . .	99
Trip Lines . . . . .	99
Proper Deployment to Prevent Twisting . . . . .	99
Sailboat Keel Wraps . . . . .	99
Monitoring Changes . . . . .	100
Freeing . . . . .	100
Hazards of Recovery Diving . . . . .	100
Mooring . . . . .	100
Picking Up Mooring . . . . .	100
Procedure . . . . .	100
Leaving a Mooring . . . . .	101
Procedure . . . . .	101
Rafting . . . . .	101
Side by Side . . . . .	101
Stern to Stern . . . . .	102
Rafting in a Circle . . . . .	102
Manners . . . . .	102
Fenders . . . . .	102
Securing Vessels . . . . .	103
Anchoring Considerations Unique to Rafting . . . . .	103
Anchors how many Placement and Size	103
Arrival . . . . .	103
Departing . . . . .	104
Separation of Sailboat Spreaders . . . . .	104
Homework Questions . . . . .	105

## Chapter 7 • Emergencies on the Water

Learning Objectives . . . . .	109
Carbon Monoxide . . . . .	109
Cold and Heat Related Injuries . . . . .	110
Cold Water Immersion Issues . . . . .	110
Adverse Effects of the Sun . . . . .	111
Heat Related Injuries . . . . .	112
Treatment . . . . .	112
Illness and Injury While Afloat . . . . .	112
Medical Problems . . . . .	112
Assessment . . . . .	113
Medical Emergencies . . . . .	113
Traumatic Injuries . . . . .	113
Propeller Injuries . . . . .	114
Special Circumstances . . . . .	115
Man Overboard . . . . .	115
Taking on Water . . . . .	117
Capsizing . . . . .	118
Fire at Sea . . . . .	120
Lightening Strike . . . . .	120
Grounding . . . . .	121
Collision . . . . .	121
Becoming Lost . . . . .	122
Docking Reminder . . . . .	122
Under Water Problems . . . . .	123
Electrical Failure . . . . .	123
Loss of Steering . . . . .	123
Engine Failure . . . . .	123
Loss of Sails or Rigging . . . . .	124
Requesting Assistance . . . . .	125
Rescue . . . . .	125
Homework Questions . . . . .	127

## Chapter 8 • Marlinespike

Terminology and Definitions . . . . .	131
Common Line Configurations . . . . .	132
Common Types of Marine Line . . . . .	132
Care of Line . . . . .	134
Basic Knots . . . . .	137
Homework Questions . . . . .	145

## Appendix A • Vessel Operations in Mexican Waters

Information Resources – Government of Mexico, Tourist Information . . . . .	149
Papers required to temporarily operate in Mexico . . . . .	149
When you arrive in Mexico . . . . .	149
Bringing your boat (power or sail) into Mexico . . . . .	149
Sailing in Mexican Waters . . . . .	149

Renting you vessel left in the care of the  
 Tourist Marina . . . . . 150  
 Regulations on bringing guns into Mexico 150  
 Returning to the United States . . . . . 150

**Appendix B • Canadian Rules and Regulations**

Requirements for Foreign Recreational  
 Boaters In Canadian Waters . . . . . 151  
 Entering Canada . . . . . 151  
 Reporting to Canadian Customs (upon  
 entering Canada) . . . . . 151  
 Reporting to American Customs (upon  
 returning to the U.S.) . . . . . 152  
 “Trusted Traveler” Programs . . . . . 152  
 Photo ID Requirements . . . . . 153  
 Passport Requirements . . . . . 153  
 Operator Competency Requirements . . . 153  
 The Phase-in of Regulations . . . . . 153  
 How the Regulations Apply to  
 Non-Residents . . . . . 153  
 Acceptable Proof of Competency for  
 Non-Residents . . . . . 153  
 Age - Horsepower Restrictions . . . . . 153  
 Safety Equipment Requirements . . . . . 154  
 Buoyant Heaving Lines . . . . . 154  
 Lifebuoys . . . . . 154  
 Lifting harness and appropriate rigging . 154  
 Reboarding device . . . . . 154  
 Manual propelling device . . . . . 154  
 Bailers and Manual Water Pumps . . . . 154

Alcohol and Boating . . . . . 155  
 Driving Under the Influence . . . . . 155  
 Consumption of Alcohol . . . . . 155  
 Speed Restrictions . . . . . 155  
 Sewage Restrictions . . . . . 156  
 Marine Communications . . . . . 156  
 VHF Radio . . . . . 156  
 Digital Selective Calling . . . . . 156  
 Cellular Phones . . . . . 157  
 Marine Charts . . . . . 157  
 Cardinal Buoys . . . . . 157  
 North Cardinal Buoys . . . . . 157  
 East Cardinal Buoys . . . . . 158  
 South Cardinal Buoys . . . . . 158  
 West Cardinal Buoys . . . . . 158  
 Light Characteristics of Cardinal Buoys 158

**Appendix C • UV Radiation, Heat Stress and Wind Chill . . . . . 159**

**Appendix D • Glossary . . . . . 161**

**Appendix E • U.S.Coast Guard Licenses . . . . . 171**
