

Has our Squadron gone South?

It seems that in late April, nine members of our Squadron were in Florida on four boats!

Above left: Pat Astor and S.T. Holmes were “headed south” on the Inter-coastal Waterway. S.T. Holmes is shown sitting on the deck of Pat Astor’s boat , “Gypsy”. Pat was in the cockpit.

Above right: Linda and Gary Wildman met up with John Haluska and Andy Nuckolls at The Moorings Marina at Carabelle. The Wildmans were headed back to Pickwick from Fort Myers on their boat, “Just Right”. John and Andy were also headed back to Pickwick with John and Barbara’s new boat , “Emery El”. (Reese Austin replaced Andy as crew on Sunday.)

All are now home safely!
