

Our Raft-Up on July 12th was hot but we had a lot of fun. Here are a few photos:

Left-to-right: Donnie and Marilyn Blackburn's pontoon boat, Andy and Janet Nuckolls sailboat, "Getaweigh", JC Kennedy's trawler, "Sea Gypsy", Reese and Becky Austin's boat, "Another Chance", John and Barbara Haluska's trawler, "Emery El", Chuck and Jean Stone's boat, "Por Fin II", and Gary and Linda's boat, "Just Right". Left: Everyone got a big kick out of John Haluska's pirate hat and dreadlocks.

Above left: Barbara Haluska spreads out the food on the Emery El. Right: Chuck Stone prepares for the blind dingy race while Allan Long gives assistance.

Above Left: Marilyn Blackburn, Janet Nuckolls and Linda Wildman look at photos of the Wildman's recent cruise to Florida. Center: Chuck Stone tries to cool off a little in the shade. Right: You can see the sweat dripping off Gary Wildman in this photo. Boy was it hot!
