MPS "Extended Cruise" at Block Island Boat Basin

21-28 July 2012

21-28 July 2012– MPS Extended Cruise to Block Island.

This year we will again enjoy a long and relaxing stay at Block Island. I have forms for Block Island Boat Basin* (forms must be mailed in with deposit) if you so choose, or you can stay at Payne's or Champlain's. Some will be heading to Montauk Yacht Club first, then to BI. Contact Lt/C Bill Sheridan if you have any questions or need a BIBB form. We will have fun dining together, hiking, fishing, clamming and of course, our daily happy hours!

*Block Island Boat Basin has a new [website](#). The [reservation form](#) is reproduced on line.
