

# Updating your USPS personal profile online.

Meriden Power Squadron

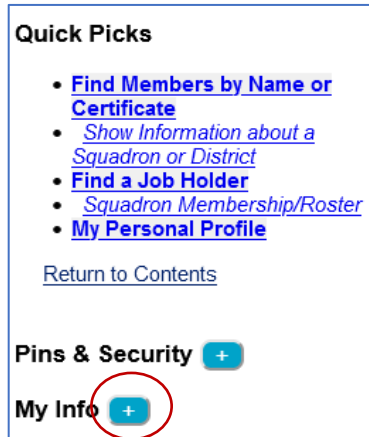

With the creation of the Info Center on the USPS website it is easier than ever to update your personal profile.

Logon to the USPS [website](#).

Click on **Info Center**

On the menu that comes up, scroll down and click **My Info**.

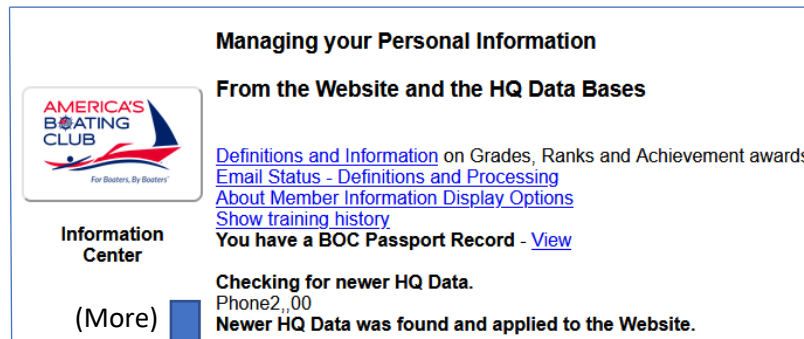

From the list, click on what you want to see or edit. To change your profile click **My Personal Profile**.

This shows only the top section of the page that comes up.

Scroll down to see your Personal data.

You can make changes directly on this data.

When you are finished click **Update** to save your changes.
