CheeseBurgers in Paradise*

The time is here once more, Cheeseburgers in Paradise 25-26-27 May. It will be at 1459 Royal Palm Drive once again.

Those coming by boat can arrive as early as **Friday afternoon** (make a reservation as the dock space is limited. On Friday, as usual, we will do bring your own, burn your own. Salad and veggies will be furnished. Bring your own drinks for the weekend and a chair in case we need more.

Saturday afternoon (around 1:00 or 2:00) we will have burgers, potato salad, and some sort of dessert. Adult beverages (whatever you bring) will flow and at 4:00pm the band (Overboard) will play for a few hours. We will have red beans and rice for the evening meal. You do not need to leave when the band stops, we won't. The cost for Friday & Saturday will be \$20.00 per person.

Sunday morning, if we have enough people, Chester and I will do our best imitation of Waffle House with the exception we serve our way (we will have eggs, bacon, biscuits, cheese grits, jelly, and mimosas. Breakfast begins at 9:00am and ends when the last person present is served. If the breakfast count is too low, we will go to a diner instead of cooking.

A map to show directions by car & boat is attached. If you have questions or want to make dock reservations, call me 504-495-5060 or E-mail sonights@bellsouth.net.

Cheeseburger reservations can be made with Cheryl at 504-488-3853 or email at cdjarrell@cox.net or me. Don't forget, we need to know far enough ahead of time to plan breakfast.
