## COMMANDER'S LOGBOOK MAY 2022

As April draws to an end, Marc and I are honeymooning aboard a cruise ship in the western Caribbean. I really hope you've been able to

enjoy some sunshine and water time, too.

“Cruise” seems to be the word of the month. The lush, natural beauty of the Waccamaw River did not disappoint as the Selphs, Noonans, and Theriaults headed to Conway on our April club cruise. Thirteen members attended dinner and a comedy at the Theater of the Republic on the first night of the cruise. We agreed that it would be fun to try to combine theater events with cruises in the future, too.

Our Cruise and Rendezvous is just around the corner. Thanks to everyone who signed up at the April meeting to volunteer during the C&R. I'll send reminders out a few days before. If you weren't at the meeting but previously indicated your willingness to help, rest assured that we won't hesitate to call in reinforcements if needed.

Stay safe, everyone. See you soon.

*Commander Ellen Theriault, Lt, P*

## FROM THE XO

As the XO, my primary duty is to assist the Commander in the discharge of official duties.

Second to that is being responsible for the performance of all Committees that fall under the XO office which are generally those with activities external to the squadron. General Safety (boating safety and VSE), Cooperative Charting, Public Relations (squadron activities and Boating Course information) being the 3 committees with the most activity. We are fortunate this year to have very talented and committed people that have volunteered for these committee heads—Jeff as the Safety head, Chris as the VSC head, and Doug as the CoOp Charting head. These people can't do it alone and need your help and fresh ideas. Get involved and you will get more back than you give. You will have fun, learn more about the squadron and ensure that we continue to grow and move forward all while having a great time doing it.

*Lt/C Frank Pope, JN*
