

# Stark County Power Squadron

Presents

## Using GPS

Sat., November 14  9:00–11:00 am

Gander Mountain

4938 Portage St. NW-No. Canton, OH

\$20.00 for PS members & \$25.00 for non-members

No pre-registration required—JUST SHOW UP!

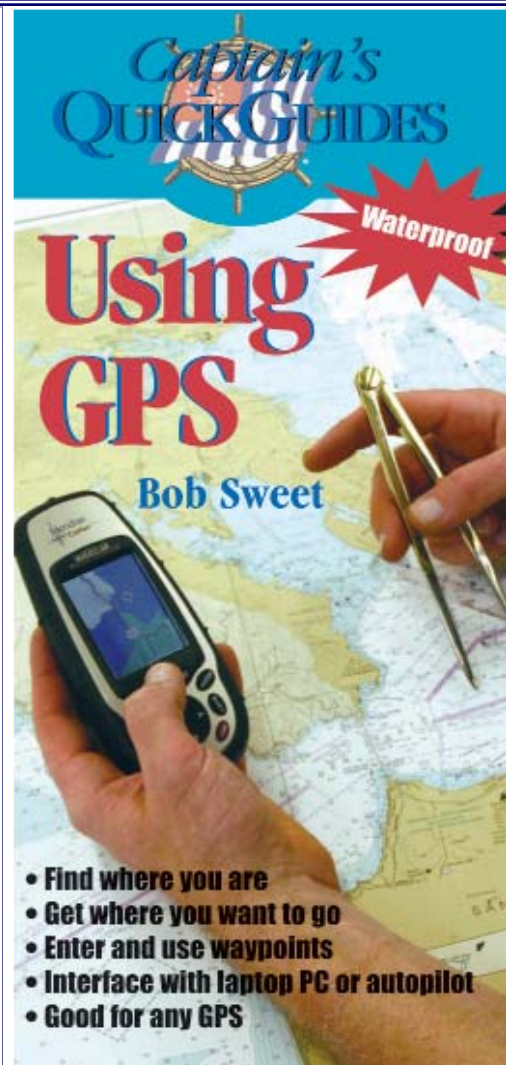

**GPS has become a common tool of navigation for boaters, hunters, anglers and drivers.**

**Need HELP in operating it?**

This 2 hour seminar will help you operate, read & understand your GPS. Some of what you will learn:

- ✧ How to operate your GPS. What the buttons do, what the screens show, and how to access functions you need
- ✧ Principles of waypoint navigation
- ✧ Store waypoints and activate them for navigation
- ✧ Get tips for choosing a GPS if you don't already own one
- ✧ Get a copy of the *USPS GPS Guide* to remind you of the steps you learned or to share with your crew or family on how to use the GPS

**This class is for everyone not just boaters!**
