

TELL YOUR FAMILY AND FRIENDS! BOATING COURSE Starts May 2nd

Keep your family and friends safe on the water by encouraging them to take America's Boating Course! This course is designed to be useful to all boaters, from the fisherman in an outboard to the skipper of a large cruiser or sailboat. All boaters are subject to nautical rules and regulations. Skippers should learn and respect traditional boating courtesies. The courses are meant to be of interest to the entire family; older children are welcome. We encourage your family to attend as a group. Students will receive a certificate upon passing an exam. This course exceeds educational requirements in all states. Also, many boat insurance companies will offer discounts to certificate holders. And it's just \$40 each!

Registration: May 2nd - 6:00 PM - 7:00 PM - class follows
Classes: Wednesdays, May 2nd - June 6th - 7:00 PM - 9:00 PM

Bristol-Plymouth Regional Technical School
940 County Street, Taunton, MA 02780
