

DINNER MEETING

Greetings fellow boaters and members of Swiftwater Sail and Power Squadron

Our dinner meeting for June will be held at a waterfront location on the Erie Canal (instead of our usual meeting place at the Elks Club in Tonawanda).

Please come and meet with Swiftwater members and members from other WNY squadrons. All are welcome. We also want to invite recent graduates of Swiftwater’s ABC3 class. It will be “dutch treat” and dinner will be ordered from the regular menu. We have reserved tables on the first floor.

DATE: Monday, June 12th, 2017

TIME: 6:00 pm

PLACE: Dockside Bar and Grill, 153 Sweeney Street, North Tonawanda

We will discuss upcoming events and scheduled educational classes. These classes will be offered: “Boating on Rivers, Locks, & Lakes” on September 23rd and “Charting” (a continuation of ABC3) on August 26th. All classes will be held at Inner Harbor Yacht Club, 50 Fillmore Avenue in Tonawanda.

We hope you will be able to attend

We look forward to seeing you! Come for the Boating Education Stay for the Friends

MEETING LOCATION

*A historic building along the Erie Canal has been transformed into **The Dockside Bar and Grill**, a casual dining restaurant near the Gateway Harbor area of North Tonawanda. Built in 1890, the site was once used by the NY State Canal Authority to unload barges and store mule feed.*
