Instructions for Certifier's Nomination Form

- (1) Verify the nominee's willingness to serve.
- (2) Circle the position for which the person is being nominated in the box on the top of the form.
- (3) Fill in nominee's contact information.
- (4) Circle the answers to the yes or no questions
- (5) A year of boating experience is defined as a calendar year or season in which nominee spent at least 15 days on the water.
- (6) Be sure the nominee meets all requirements for the position they are being nominated for.**
- (7) The Boat Operator Certification Regions are listed below
- (8) Fill in your (nominator's) information and sign. (The nominator must be the SEO or DEO to nominate a certifier or advanced certifier and must be a DEO to nominate a regional certifier).
- (9) Forward the completed form for approval to the regional certifier (certifier nominations or advanced certifier nominations) or NEO (regional certifier or Asst. regional certifier nominations).
- (10) The regional certifier or NEO will review the application and either approve it or return it with an explanation as to why it was not approved. Regional certifier's should keep records of candidates they have approved so they can schedule them for training.
- (11) In the absence of the regional certifier, or if delegated to do so, the assistant regional certifier may act instead of the regional certifier.
- (12)

If a certifier nominee is approved, the nominator should work with the regional certifier to arrange for the nominee to attend certifier training (see seminar registration form, Section 25) and, for an advanced certifier, work with an advanced certifier to receive training to teach the US Sailing BPH program.
