

You will learn a lot more from this BOAT SMART course if you read each lesson and do the homework before the class discussion. Please turn in this answer sheet at the start of each class. The sheet will be reviewed by one of our Proctors and returned to you at the break. If there is something you don't understand, please ask the Instructor or a Proctor for clarification.

We hope that BOAT SMART is just the beginning of your boating education. It does give you valuable basics, but that's just what they are -- BASICS. Your local Power Squadron, as a unit of United States Power Squadrons (USPS[®]), offers a wide spectrum of courses to enhance your boating skills, safety, and enjoyment. It is truly the best boating education program in America. Ask any Squadron member for details about how you can join us to share in the many benefits of USPS membership. Or call us at _____; or write us at: _____.
