\* The actual cost to the public could vary, depending on facility costs, locale, and any additional expenses. If a seminar is conducted on the water, the cost to the public could increase significantly; for example, Advanced Powerboat Handling could exceed \$200 if conducted with an on the water component.

Note 1: Errata or additional information for these seminars are on the Seminars web page ([usps.org/education/seminars](https://usps.org/education/seminars)) under News.
