

UNITED STATES POWER SQUADRONS®
Educational Department

APPLICATION FOR **INITIAL** INSTRUCTOR CERTIFICATION

Applications for Initial Instructor Certification must be sent to the District Educational Officer for approval and submittal to Headquarters. The Squadron Educational Officer should type or print the information below and send two copies to the DEO. SEOs should keep a third copy for their own files.

As SEO of _____ Power Squadron of District _____, I certify that the members listed below have met the requirements for initial four-year Instructor Certification as stated in the USPS Educational Policy for Instructor Certification.

Qualifications for Members applying for initial four-year certification.

- Members who hold active, current teaching credentials from an accredited teaching organization or who have taught for at least three years within the last five calendar years in an adult education community program or as a college instructor.
- Members who have received instructor training through the US Coast Guard Auxiliary or a NASBLA approved state boating instructor training program.
- Members who have completed the USPS Instructor Qualification Course (IQ) and have been actively teaching member courses within the past 24 months.
- Members who have demonstrated exceptional instructional ability through professional endeavors and approved by the National Educational Officer or his designee.
