

## State Legislative Representatives

Below is a listing of current State Legislative representatives, from the Government and Partner Relations Committee (GPRCom). In a concerted effort, GPRCom is actively pursuing representation in each state. As a representative is designated, he or she will be listed accordingly.

Please also note those states, marked with an asterisk denoting a Memorandum of Understanding (MOU), are identified. Details of these MOUs are listed elsewhere on the GPRCom website.

If you have an issue or concern in a state where no representative is listed here, please contact the Assistant Chairman for further information:

Stf/C Gregory Korstad (Asst. Chairman)
