REINSTATEMENT POLICY

The current policy is:

Let's look at **REINSTATING MEMBERS**, understanding of definitions might help I think.

We track two kinds of nonrenewals: 1) been in nonrenewal status up to one year and 2) those that have been in this status more than one year. On the National Secretary Monthly Membership Report these are listed as "Late" and the latter "Reinstatements."

DEFINITIONS

LATE: Paying dues anytime after the due date up to 12 months (1 yr.) pass the due date.

REINSTATEMENT: Non-renewals paying after 12 months (1 yr.) of non-renewed status.

PAYMENT

LATE Payers:

Regardless of billing cycle, any member paying late to reactivate their member status, pays an annual amount of dues to rejoin. (No chg to anniversary date.)

REINSTATEMENT:

Here it depends on billing cycle.

VHQAB - Member pays an annual amount of dues and anniversary date is reset using the month dues are paid.

Traditional - Rejoining members pay a prorated amount of dues.
