

Q - Our squadron would like to change its name to include the word " sail," how do we do that?

A - USPS Bylaws section 7.1 states: The title of each squadron shall be its name followed by the words "Power Squadron (Inc.)", or "Sail and Power Squadron (Inc.)." Squadrons wishing to change their name need only execute a change in bylaws in accordance with section 9.7 and 11.65 of the USPS Operations Manual. The ComRules member assigned oversight responsibility for the squadron can approve the change, just as any other bylaws revision.

It is important to remember, especially for squadrons that are incorporated, that states have differing requirements for corporate names. It is the responsibility of a squadron wishing to change it's name to insure it complies with the requirements of the state in which it is incorporated.
