

Let's go
SAILING

"OPEN BOATS" 2012

**"Host Skippers" are inviting
members of District 3 to go sailing.**

Powerboaters, members "between" boats" and other sailors can get out for a sail.

**Most north shore harbors have at least one "host Skipper" willing
to open their boats to provide a positive sailing experience in this inter-squadron
boating activity!**

Here is a GREAT opportunity to do what we do ... go BOATING!!

A list of available skippers, boat type, home ports, contact information
and typical availability is provided. Members are cordially invited to
contact any of the host skippers to make arrangements.

VISIT AND JOIN THE "OPEN BOAT 2012" GROUP ON SAILANGLE!

The intent of the program is to foster member retention, add to
member benefits and encourage camaraderie among members and
squadrons.

If you wish more information about the program or wish to become a
"Host Skipper"
