

# New Meeting App for Dallas Governing Board Meeting

The new USPS meeting app for the Dallas Governing Board Meeting is now available at your app store on your smart device or available for download on your laptop. USPS has again created this meeting app to enhance your experiences at the Governing Board meeting. You will find information on speakers, meeting schedules, activities, maps of the hotel and more! This new app also features interactive maps, which will allow you to pinpoint your meeting locations by just touching the location on your schedule. Also you can participate in our private social network by sharing updates and ideas easily with short posts. Participants can even post event photos right on the activity stream as well as sending direct messages between attendees to foster deeper connections. Please take advantage of all the features this app has to offer. We hope you enjoy the meeting.

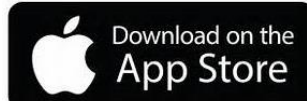

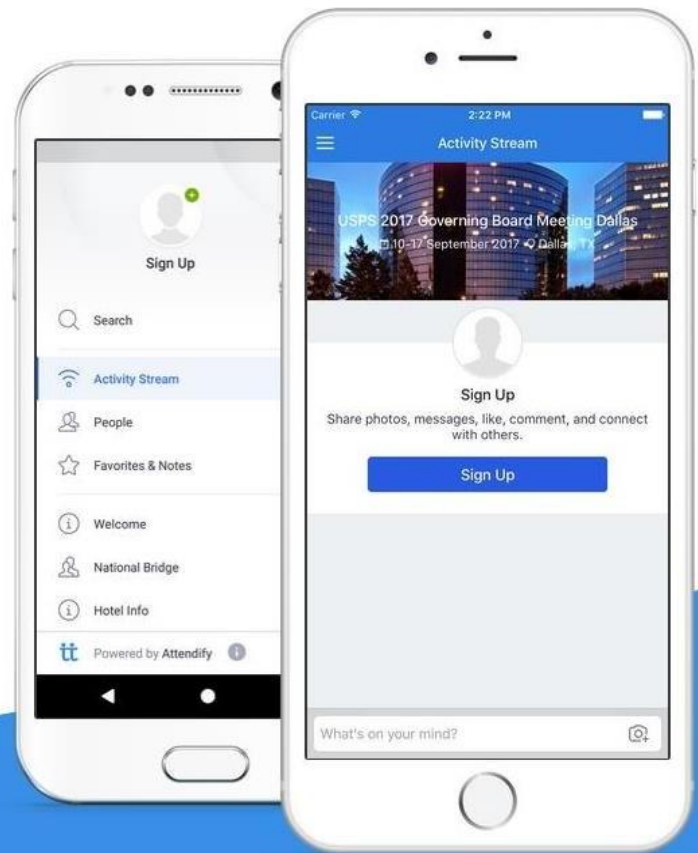

You can access the app from your device by going to either the Apple App Store or Google play for Androids and search for "USPS Governing Board 2017". When it pops up download to your device and then open. You can also scan the QR code on the image and it will take you directly to the app to download. You should register your contact information to take advantage of all of its features. To access the mobile app from the web, type or click on this URL: <https://attendify.com/app/jgpz24/>.
