Commander's Message

The Sea Gals held their installation on March 19, 2009 at the home of the Nelson's. The elected officers are (from right to left) Vi Licari – Secretary, Lamar Kuhlman – Treasurer, Lola Robertson – Vice President, and

Barbara Nelson – President. The Sea Gals perform a vital function in their support of the squadron from programming and food for District 13 host rooms to annual social events with entertainment and support of squadron functions. This auxiliary unit is the only one of its kind that is still functioning throughout District 13. On behalf of the entire squadron we applaud their service and look forward to their continued support of The Valley Sail and Power Squadron. They are always looking for new members. Contact Barbara Nelson for further information 818-886-8725.

Treasurer's Department

This has been a busy past month for the Treasure. No, Squadron Paperwork was not the issue, it was the backyard Wedding of CDR Kristi Hoadley, S, to Eric Cascadden:

We are working on a new set of Prices for our classes and books which reflect the current Sales Tax rates. If you recall, they changed on April 1st, will change again on July 1st and again on October 1st unless our beloved Legislature makes additional changes. At this time, our Public Course Offerings prices will not be affected; however, some of the Learning Guides and other supplies will need to be changed. For Questions I can be reached at 818-843-4930.

Since our last “The Full Deck” Bob Ward finished and passed Seamanship. On May 5th our Spring ABC 3rd Edition Boating Class tested and all 5 students passed. Bob Ward was among those completing the course thereby solidified his Seamanship.

On June 2nd, a VSE (Vessel Safety Examiner) Class will be offered. Manual costs \$5.00, the test is free. The class is only two hours from 7 – 9 PM and will be held at the First United Methodist Church of Reseda at 18120 Saticoy Street in Reseda (SW Corner of Lindley and Saticoy) parking entrance is from Lindley and the class will be held in Room # 7, the door will open at 6:30 PM. Become a Vessel Examiner for our Squadron.

One June 9th, an ID Seminar for Instructors wishing to renew their Instructor Certification will be offered from 7 – 9 PM, the Squadron has about 10 persons needing this Seminar.

Please contact Ray Paul and let him know you are coming so that he has a sufficient number of handouts available. There is NO Charge for this Seminar. If you have not taken the full ID Class, that will be offered in the Fall, please wait until then. The class will be held at the same site as the VSE Class above.

On June 16th, a Seminar on “Using GPS” will be offered from 7 – 9 PM. Pre-registration is a must and the class is limited to the first 20 students. Cost to USPS members is \$25.00 and to non-members it is \$50.00. This is advertised on the national website. The class will be held at the same site as the VSE Class and ID Seminar above.

I am looking to offer the Marine Radar Seminar in July and depending on my Sea Scout recruiting may offer another ABC 3rd Edition Boating Class also starting in July. Depending upon requests may also offer a Seamanship class starting in August followed by a Piloting Class in the Fall. Please talk to me about what you want to take. I am trying to work out the particulars on an Advanced Piloting Class this Winter.

I can be reached in any of the following ways:

Cell: 818-462-6479

Home: 818-996-0243
