February, 2018
From the District Bridge
District Commander Ron Gagen, Sr, JN

T

The year has flown by. I would like to thank everyone especially Judy for making this a very successful year. On a sad note we lost the Titusville squadron but most members are joining other squadrons. Remember the national annual meeting in February is in Orlando. Why not carpool and attend or stay a night or two? Also March is our spring conference. Don't wait to register and support the new blood that is joining the bridge. As Commander Judy and I have stayed busy starting in Dallas, boat cruise, GoToMeetings, Cocoa Beach 50th anniversary, 5 Christmas parties, all changes of watch, district picnic, local meetings, several safe boat week events, observed several classes and still had time for a 900 mile cruise on our own boat. All times and dates of our upcoming events have been published and will be sent out several more times please attend Thanks to all of my bridge. They have been great and Tim Henke, who tried to keep me in line.

Thank you,

D/C Ron Gagen, Sr., JN
