

SUMMER OF MEMBERSHIP

Share Your Stories: Win a New Squadron Banner

Summer is about having fun on the water and throughout your community. There are parades, boat shows, community events, classes, cruises and many other squadron activities where fun is the rule.

Members having fun demonstrate one of the essential benefits of USPS® membership.

Share your stories this summer for a chance to be one of three Squadrons voted as “Best of Summer” at the Fall Governing Board in Dallas. Each Winner will win a new Marketing Banner for their Squadron from the National Membership Committee.
