### COMMANDER'S LOGBOOK OCTOBER 2018

September was a month to remember! We had a mega-storm, Florence, approaching our shores, but luck was with us and it shifted — initially good news for South Carolina, but not so good for North Carolina. Eastern North Carolina experienced the impact of category 2 hurricane force winds and subsequent flooding. It wasn't long before the storm generated serious flooding coming down to Eastern South Carolina. Our thoughts and prayers are with everyone affected by this storm, and I hope you all are returning safely to your homes and finding little or no damage.

How about the Luau at our last meeting? I thought everyone involved did a great job! The cook was excellent — my son-in-law, Eric Carter loves to cook. He brought the cooker down to the Elks Lodge from Moncure N.C. along with the pig and barbecue sauce. But most importantly he was the cook (with Jake's help). The decorations were great and the idea to do our own table decorations was fantastic. The decoration supply table was a great resource that brought out the artist in all! A BIG thank you goes out to the Social Committee. This committee works very hard for you. Don't forget to thank them when you see them.

Our boating season is winding down — our last cruise will be down to Wacca Wache and then on to Georgetown. I hope that Georgetown doesn't get significant flooding. They have had to cancel two different times due to flooding.

Our squadron had to make some cancellations due to weather. The first cancellation was the Harvest Cruise. That event has been cancelled more times than I care to recall. Remember, just because the whole squadron doesn't go to Bird Island doesn't mean you can't go. Get a small group together on a good day and head out. The September 22nd ABC Class was cancelled as was the September 19th Heritage Shores Cleanup and its corresponding Happy Hour. Consider this: the best time to do the cleanup is post-hurricane; you may find some unique treasures. Heritage Shores Cleanup will continue once a month starting in October at 4 pm. No, you don't have to do the cleanup to attend the Happy Hour; all are welcome.

Check the calendar on our [web site](#) to see additions and cancellations. As always, safe boating is planned, not accidental.

*Commander Bonnie Kanoy, AP*

### *Change of Watch*

**10 November 2018**

**5:00 PM (1700)**

**Pine Lakes Country Club**

5603 Granddaddy Dr.  
Myrtle Beach, SC

## SEO Report OCTOBER 2018

Unfortunately, we found it necessary to cancel the September 22nd ABC class due to the storm and its aftermath. We are working with the Elks Lodge to see when we can reschedule; we will send out a notice as soon as we know. I am still hoping to offer a couple of seminars this year but need a few more

interested people. Please reach out to me if you are interested in any of the following:

- \* Weather Seminar – 2 nights
- \* Radar for Boaters Course – 8 – 10 hours
- \* Partner in Command – 1 day (classroom and on the water)

We have the instructors ready to teach and just need the interested students so reach out if you are seriously interested.

*Lt/C Frank Pope, AP*
