Your yacht must have auxiliary power and safety equipment as required by the USCG. Ultimate responsibility for the conduct and safety of each participating yacht rests with her captain and/or owner. They are jointly and severally liable and, by entering the yacht in this event, accept all risks of participation. They further agree that the Stamford Sail and Power Squadron, the Halloween Yacht club, their officers, and race officials will be held harmless for personal injury, or loss of life, or damage to or loss of yachts or gear. I have read the above conditions and release the Race Committee and all race officials from all liability.
