

Need a truck to pull your boat to your favorite launch site? Or a new or used car to drive you to your marina?

Purchase new Ford vehicles at employee pricing. Applicable to all Ford vehicles.

USPS is pleased to announce an opportunity for our membership to purchase new Ford trucks, at a price that employees of Ford's major suppliers receive. This program is offered through Capital Ford, the largest Ford dealer in the southeast.

From Car, Truck, Crossover, either new or used, the choice is yours!

This is an absolutely no hassle way of purchasing your next Ford vehicle. Whether you decide to order a truck (or car, SUV or crossover) to your exact specifications or purchase a new or used vehicle from inventory, you will find the process to be easy, efficient and user friendly.

It's easy, efficient and user friendly.

Regardless of where you live, delivery of your vehicle is made easy. This program offers door-to-door delivery or you can take advantage of our "Buy 'n Fly" option. We fly you, free of charge, from selected airports to the Raleigh Durham Airport where you will be picked up and brought to our dealership to finalize your purchase.

We also handle registration and financing for any state.
