

## WOW Training Aids – Description for USPS Member Benefit Program

[WOW Training Aids](#) were created and designed by boating instructors, for boating instructors. Featuring a wide variety of full-color, attractive computer graphics. Training aids are magnetic, laminated for durability, pre-cut, and fully assembled; they come ready-to-use out of the box. Instructors can easily create and animate scenarios or quickly change scenarios. Use on a magnetic board, tabletop, or elsewhere. Use to conduct interactive student learning activities in the classroom. Training aids are available as pre-packaged sets or as individual pieces. Download our current color catalog at <http://wowtrainingaids.com>. Our products are proudly hand-crafted in the USA.

[WOW Training Aids](#) offers images useful for visual and interactive instruction of the following topics: Docking, Mooring, Anchoring, Launching, Trailing, Powerboat Handling, Sailboat Handling, PWC Handling, Steering Rules (Day and Night), Lighting, Aids to Navigation, and more.
