On page 4, paragraph 21 of the N09 Student Manual, Figure 1-2 obstructs part of the sentence. The entire sentence should read:

“If you’re interested in learning more about the constellations and stars as they appear to us during the different times of the year, refer to the USPS Guide Navigational Astronomy.”

Page 177, paragraph 4: Replace "200 feet" with "200' (3º20')". Add the words "recent (1981 or later) editions of" before "Bowditch".
